

## Who Are Pavilions?

Pavilions is the new Adult Drug & Alcohol Service for Brighton & Hove that launched on 1st April 2015.

Pavilions brings together a range of partners with proven expertise, creative minds and a shared desire to re-shape drug and alcohol treatment and recovery services in Brighton & Hove.

The partnership is led by Cranstoun in partnership with Surrey & Borders NHS Partnership Foundation Trust, Equinox, Brighton Oasis Project, YMCA Downslink Group and Cascade Creative Recovery.

From April until late summer, we will be running services from 4 well known treatment sites across Brighton & Hove (see inside for maps and contact details). After that we will be moving to new premises, but in the meantime you can easily access help by calling our 24 hour helpline below.

You can also download helpful resources from our new website.
