

LGBTQ+ GAMBLING HARM HALF-DAY SESSION

A practical half-day training session for organisations that want deeper understanding and safer responses

HALF DAY TRAINING

FORMAT

Half-day workshop, live online or in person

DURATION

From 9:30 to 14:00

IDEAL FOR

Staff teams, managers, frontline workers, wellbeing leads, and services supporting LGBTQ+ communities

YOU WILL COVER

- Understanding gambling harms
- Digital safety and online environments
- Screening, safe conversations, and harm reduction

WHAT PARTICIPANTS CAN EXPECT

- A fuller understanding of gambling harms and how time, access, and money can escalate risk
- Focused exploration of why LGBTQ+ communities are disproportionately affected
- Practical learning on digital safety, ethical marketing, privacy-protective design, and online risk
- Guided practice around trauma-informed conversations, screening, disclosures, and referral options

A stronger skills-based session for teams ready to move beyond awareness into practice.

WHAT THEY WILL LEAVE WITH

- Practical tools for safer conversations
- Stronger confidence in screening and signposting
- Ideas for improving websites, communications, and service culture
- A clearer understanding of harm-reduction and referral pathways
